

FLOMAR SCL

CUT FLOWER SPECIALISTS

[VISIT OUR WEBSITE](#)

WE ARE WE?

We are a cooperative with 38 members and more than 400,000m² dedicated to cut flower and green planting.

We provide a comprehensive solution to all our customers' needs in terms of product purchase, selection, handling, distribution and marketing.

We distribute our products throughout the national market and Europe.

OUR PRODUCTS

CUT FLOWER

Careful handling and refrigeration are required to ensure that cut flowers remain fresh for as long as possible.

GREEN FLOWER

Careful handling and refrigeration are required to ensure maximum quality.
